Loochristy, January 1928.

To the Canadien Florist!

DEAR SIRS,

In the last three Years we have established in Canada a fast growing offset. This is the result of our slogan «SATISFY YOUR CUSTOMER».

For fall delivery we are able to supply Madame Petrick garantie good free from any leafdecease and better plants than ever came to Canada. For the reason that we have made an entirely victory over Madame Petrick this winter.

We invite any Canadian Florist, coming over to Europe next summer, to visit our establishment at Loochristy, 18 miles drive from Antwerp or Bruxelles and 5 from Ghent.

All correspondence or arrangements concerning orders for 1928 from now on till the first off March may be send to our representative and Brother:

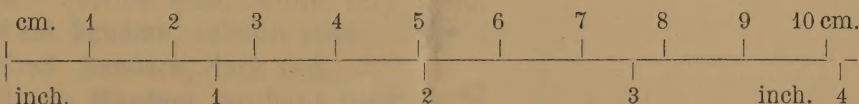

Omer Sonnevile,

45, St. James str. Ville St. Pierre aux Liens,

Montreal, Quebec.

Yours very truly.

Felix Sonnevile & Sons.

TERMS AND REMARKS.

When ordering it is understood that the buyer agrees with these terms and remarks. Your special terms, if agreed upon when ordering and written on a signed ordersheet will always be welcome.

1. All previous price lists are here by cancelled.
2. Prices are quoted net and subject to marked fluctuations.
3. All goods travel at purchaser's risk and expense from our establishment and are sold, taken and accepted at our establishment.
4. Unless contrary orders are given, insurance will be provided for at purchaser's costs.
5. Packing and cases will be charged at cost price and are not returnable. Standart case 80 x 80 x 1.00 m. minimum 2 \$.
6. All invoices are payable 60 days after date of invoice. Accounts over due will be charged for, 6 % per annum.
7. Claims as to quality of the goods cannot be entertained, unless made immediately on receipt of the same.
8. We give no warranty and are not responsible for damage by heating or frost during the voyage nor any delay in forwarding the goods, all complaints refering there to should be made directly to the Railway or Shipping Company delivering the goods.
9. Frost is accepted by the buyer as force majeure.
10. We are not responsible for the results of planting or forcing of any goods sent out, we guarantee only all varieties to be true to name and description but we do not give any warranty of any article that is wrongly labelled.
11. Freight and duty are for the buyer's accounts, unless otherwise contracted.
12. Everything is offered subject to being unsold and subject to shortage or failure of crop or other causes beyond control.
13. If any time of shipment the buyer has not settled his last season's account or the reports, in our opinion, are unsatisfactory, we reserve to ourself the right to withdraw, without any indemnification, all arrangements.
14. Cancellations will be accepted, only 30 days before time of shipment.
15. Please be so kind to send Permint number along with order.

Felix Sonnevillè & Sons.

Tuberous rooted Bulbs.

BEGONIA BULBS.

The florist trade will find the Begonia a splendid selling plant. We are the largest growers and exporters in Tuberous rooted Begonias in Belgium for Canada.

We possess 54 colors and varieties in our collection.

On arrival of bulbs keep in fern-house or about 10 degrees above freezing on bench in flats covered with light dry soil.

These are packed in double cases; in between is jute-remains, so as to withstand any frost.

For shipment after Jan. 1st 1929, 20 % more.

10—15 " 75 "

15—20 " 100 "

Hydrangeas.

For fall 1927 delivery we have an enormous large stock of **POTGROWN HYDRANGEA'S (Hortensis)** to offer, in the very newest and best varieties, and of superior quality; such as:

Avalanche, large white, free and early flowering.

Bleu Prince, late forcer, one of the best.

Bouquet Rose, bright pink, enormous large cluster.

Dentelle, creamy white, fringed flowers, late forcer.

***Eclairer**, carmine, very good forcer, midseason.

***Elmar**, red, very strong, midseason.

***Etincelant**, bright red, beautifully fringed, large free flowering.

E. G. Hill, very fine rose, a good one.

Frederich Mathes, very strong, salmon pink.

General Vicomtesse de Vibraye, large dark rose, easy to force,
liable to turn blue

Germaine Moullière, beautifull white, early, even better then

***Gertrude Glahn**, very fine rose, large flower, early, late.

***Goliath**, blue, very strong stems, medium early, midseason.

***Goliath**, pink, " " " " " " " "

Gudrun, brilliant pink, large "solid truss, dwarf grower, early.

***Helge**, dark red, large truss on very strong stems, midseason.

Hortulanus Witte, rose, late flowering.

Japonica, the old fashioned white

Kriemhilde, salmon-red, dwarf growth, very free flowering.

Excellent variety for forcing

***La Marne** lilac rose, fringed, large flowers, verry late.

La Lorraine, pale rose, very large. one of the best.

***Lanzelot**, lovely pink, very free flowering, one of the best
1922 introductions, early.

Le Cygne, large white.

***Lily Moullière**, dark rose, white centre, an excellent forcer.

***Loreley**, carmine red, dwarf strong growth, very free and early
flowering, dark green hardy foliage, early.

***Madame E. Moullière**, the favorite white variety, early.

***Madame A. Riverain**, brilliant pink, midseason.

Madame Maurice Hamar, rosy blue flowers in very large trusses.

Madame Truffaut, light rose, large flowers, early.

- ***Marechal Foch**, nillson-red, very free flowering, early.
- ***Marie Mathes**, dark pink, early.
- ***Matador**, very good red
- ***Mein Ideal**, very free flowering, dark rose, midseason.
- ***Niedersachsen**, fine pink, large truss, splendid for blue
prepairing, midseason.
- Ornament**, large mauve pink.
- Otaksa**, pink, the old standing variety.
- ***Parzival**, blood-red, most remarkable shape of single flowers,
much like a Primula, large solid truss carried on stout
stem, dark geen foliage, very free flowering 1922 intro-
duction, midseason.
- Professor Bois**, dark rose.
- Radiant**, the favorite red variety.
- ***Rheingold**, beautifull pink, large clusters, strong grower,
midseason.
- Rubis**, fine light pink, free flowering.
- Siegfried**, early rose.
- ***Souvenir de Mme E. Chautard**, carmine rose, a good variety.
- Souvenir de Claire**, rose, very good forcer.
- Triumph**, beautifull light red, early flowering.
- Trophée**, early, lilac red.
- Vice-President Truffault**, mauve, extra good forcing kind.
- Westfalenkind**, light salmon pink, enormous trusses of large
single flowers, early forcer, dwarf strong growth.
- Favorite**, French introduction of 1925; dark red, very large
flowers, early and sure forcer.
- ***Freya**, German introduction of 1926; brilliant dark red, very
fine perfect shaped flowers, early forcer.
- ***Odin**, German introduction of 1926; brilliant red with salmon
pink reflection, very large round flowers, strong short
grower, early forcer.
- ***Pasteur**, French introduction of 1924; dark pink, strong
grower, fairly late forcer.
- ***Peer Ghynt**, German introduction of 1925: dark rose passing
to red, flowers standing on strong stems, perfectly.
Should not be forced.

La Victoire, appleblossom colored, very good forcer but not too early.

***Schöne Dresdenerin**, latest German introduction; worth a trial.

All these varieties at our choice, strong potgrown plants, at per 100 \$ 15,—

Buyer's pick of varieties; strong potgrown per 100 \$ 17,—
